## Fencing works notification | 27 August 2024

Dear neighbour,

We wish to advise that we will be resuming work to secure the unauthorised access gates along the boundary fence between your property and Rose Bay Secondary College.

The NSW Department of Education can fence off school properties as indicated in the [Inclosed Lands Protection Act 1901 \(ILP Act\)](#). Rose Bay Secondary College is “inclosed land” for the purposes of the ILP Act.

By securing the gates and restricting access, we will be providing greater safety and security for our students, staff and the wider community.

Work to secure the access gates will take place on Thursday 5 September 2024 between 8 am and 5 pm. All work will be done on the school’s side of the boundary fence.

For the safety of the contractors, please secure your pets and keep them away from the work area during the scheduled work times.

We appreciate there may be some inconvenience caused by these changes. We understand the importance of maintaining positive relationships with our neighbours and seek to balance that with the safety of and wellbeing of the school and local community.

Thank you for your cooperation during this important work.
