

# Alexandria Park Community School

## Works notification | 23 July 2025

Dear Neighbour,

We will be undertaking work to stabilise the boundary fence between Alexandria Park Community School and 145 McEvoy Street, Alexandria on Monday 28th July, between 7 am and 5 pm.

This work will be done from within the shared boundary, as arranged with your property manager Harris Trip, and will involve drilling into existing fence poles and securing them with bolts to improve their stability.

While the work is not expected to affect access to your property, some noise is anticipated, and we apologise for any inconvenience this may cause. We will make every effort to ensure that all works are carried out safely and efficiently with minimal disruption to the community.

For more information on how construction will be managed, please scan the QR code below or visit the School Infrastructure website: [Managing construction impacts in your community \(nsw.gov.au\)](https://www.schoolinfrastructure.nsw.gov.au).

The health, safety and wellbeing of all members of our school and the local community are our highest priorities.

Thank you for your cooperation during this important work.
