Message from your Principal

I am thrilled to share that our new learning facility is now open and ready for the school community to use. I'm confident it will enhance both learning and inclusivity at Shoalhaven High School. This addition is a testament to our commitment to providing modern and flexible educational infrastructure.

The facility empowers us to meet current demands and adapt to future needs - all while prioritising learning continuity. Its swift deployment and versatile design reflects our dedication to creating the very best environment for our students and staff.

We look forward to seeing this space enrich our school community.

I would also like to sincerely thank our community - students, staff, parents and carers, for their patience and support during construction. I'm sure you will be as impressed with the outcome as we are.
