

# Tuggerah Lakes Secondary College, Berkeley Vale

## Community update | November 2024

Dear parents, carers and staff,

As part of the NSW Government's plan to rebuild public education, the 2024–25 Budget is delivering record education funding, including \$1.5 billion for maintenance and local upgrades.

As part of this investment, Tuggerah Lakes Secondary College, Berkeley Vale Campus will receive a share to improve drainage in the assembly area.

Drainage works in the assembly area will resolve ongoing water leaks and flooding from heavy rain around buildings E, F and G.

Design of an improved stormwater system has been completed. The design will now inform the scope of work for construction, which is expected to start in Term 2, 2025 and finish in the Term 2, 2025 school holidays.

### More information

We will keep the community updated and provide more information as it becomes available.

If you have any questions about this project, please contact the NSW Department of Education during business hours on the contact details below.
