

Albion Park High School

Works notification | 11 March 2026

Dear staff, parents and carers,

School holidays are the ideal time to undertake maintenance and project work across the state without disrupting learning.

Planned work over the upcoming holidays

We will be working at Albion Park High School during the autumn holidays.

This period may include from the end of the school day on Thursday 2 April 2026 up to the first day of Term 2 Wednesday 22 April 2026.

We will be installing a new pedestrian gate at the main entrance of the school and a new vehicle gate across the main driveway, both on Church Street.

These gates will be locked outside of school pick up and drop off times and the driveway will no longer be accessible to the general public. Access between Centenary Road and Church Street via the school driveway will no longer be possible. Please see the map below.

Phone: 1300 482 651
schoolinfrastructure.nsw.gov.au

We appreciate there may be some inconvenience caused by these changes.

The NSW Department of Education can fence off school properties as indicated in the [Inclosed Lands Protection Act 1901](#) (ILP Act). Albion Park High School is 'inclosed land' for the purposes of the ILP Act.

Managing construction

Construction vehicles and equipment will be used during this work which may cause periods of noise.

Work hours are between 7 am and 6 pm Monday to Friday, and 8 am and 1 pm on Saturday, in line with NSW Environment Protection Authority guidelines.

For more information on how construction will be managed, please visit the School Infrastructure website: [Managing construction impacts in your community](#).

If you have any questions about this work, please contact the NSW Department of Education on the details below.

Thank you for your understanding and support during this important work.
