

Hunter School of the Performing Arts

Completion pack – September 2025

Welcome to your improved infrastructure

We are excited to announce that 2 new covered walkways and access paths for Hunter School of Performing Arts are finished and now open for use.

This project delivered:

2 new covered walkways constructed to Education Facilities Standards and Guidelines (EFSG)

outdoor shelter from sun and rain when students move around buildings A, G and J

Message from your principal

We are excited to have 2 new covered walkways and access paths for our school community.

Walkways may not seem exciting at first, however this was a project of significant value. The new walkways are even more durable and sustainable than the former ones. They will provide sheltered access and comfort for our students and teachers when moving around buildings A, G and J. Especially when they are carrying important resources and books for teaching and learning, if this year's weather is anything to go by.

During the demolition work, stormwater repairs were made around Building J as they were discovered to be in poor condition. I would like to thank our school community for their patience during construction, while the walkways and access paths were built.

Tracey Breese

Principal

Hunter School of the Performing Arts
