

Northern Beaches Secondary College

Mackellar Girls Campus

Works notification | 8 June 2023

Dear staff and parents/carers,

We are refurbishing the flooring in 3 rooms in Building A at Northern Beaches Secondary College Mackellar Girls Campus.

As part of this work, vinyl floor tiles suspected to contain asbestos will need to be removed. The vinyl tiles are located under the carpet. The rooms are out of bounds in preparation for works.

This work will take place from Saturday 10 June to Sunday 18 June 2023, outside school hours. Work areas will be cordoned off, and additional safety measures and monitoring will be put in place under the advice of an independent hygienist before works start. They will remain out of bounds until the work is finished.

Work will be done in accordance with SafeWork NSW regulations and the NSW Department of Education's Asbestos Management Plan. All work will be completed by licensed and accredited asbestos contractors and monitored by occupational hygienists in strict accordance with all applicable legislation, regulations, policies, and guidelines.

The rooms will be inspected to ensure they have been fully remediated and the school will receive a clearance certificate before the rooms are reopened to students and staff.

The health, safety, and wellbeing of the school and the local community is our highest priority. Thank you for your cooperation during this important work.
