Upgraded change room and toilet facilities

New change rooms

New bathroom fixtures

New cubical suites

New seating for students

What makes Northern Beaches Secondary College Balgowlah Boys Campus special?

The school has a strong reputation as a consistently high-performing school, driven by a commitment to continual improvement. We have been recognised as a lighthouse school for explicit teaching strategies that build a solid foundation in literacy and numeracy. Our motto, "By Effort We Achieve," is deeply embedded in our school culture, creating a unique environment where personal best is expected from every student. Our vision is to develop articulate, confident young men equipped with the skills to become accomplished citizens in our global society.

Message from your Principal

Since commencing my role as principal of Northern Beaches Secondary College, Balgowlah Boys Campus this term, I have been privileged to witness the remarkable achievements of our students across sporting, academic, creative, and social justice endeavours.

I am pleased to announce the completion of modern, purpose-built bathroom and change room facilities, which will greatly enhance how our students engage with physical education and sporting activities. This marks the beginning of several upgrades aimed at improving the physical environment of our school.

Over the upcoming school holidays, we will be installing a shade sail over a student seating area, adding line markings to improve accessibility. We have also installed sound baffling in the gymnasium and are currently refurbishing the recording studio.

These enhancements will complement the outstanding work of our dedicated teachers and hardworking students. I encourage you to explore our new website, newsletter, and social media channels to stay informed about the many exciting activities that have happened this term.

Highlights include student participation in the 16 Days of Activism campaign, recognition of 3 students who received the 2025 NSWCHSSA State Blue awards, our Artist in Residence program showcasing student work in Art and Drama, and our collaboration with Musical Futures International to bring innovative learning experiences to our school.

It has been truly inspiring to see the passion and commitment of our teachers and staff, whose efforts have cultivated a vibrant and supportive learning environment. I am confident that, with your continued support and our shared dedication to excellence, Northern Beaches Secondary College Balgowlah Boys Campus will continue to achieve academic success, ignite a lifelong love of learning in every student and prepare them for future success.

Richard Medcalf

School Principal

Thank you

Thank you for your patience during the upgrade to Northern Beaches Secondary College Balgowlah Boys Campus.

Your support and cooperation have been invaluable and made it possible for us to deliver these new facilities for students and staff.
