

Callaghan College Jesmond Senior Campus

Works notification | 4 April 2026

Dear staff, parents and carers,

The health, safety, and wellbeing of all members of our school and the local community are our highest priorities.

On the morning of Friday 1 May 2026, a small electrical fire ignited from the hand dryer in the Building U staff shower room.

As a precaution, the area was immediately isolated. Emergency Services attended the site and managed the fire promptly. No students or staff experienced ill effects from the fire or smoke.

Access to the affected room remained restricted until it was environmentally cleaned and reopened on Tuesday 5 May 2026.

All damages due to the electrical fire are currently being repaired. The electrical wiring and hand dryer have been inspected and will be replaced with a new unit.
