

Murwillumbah East Public School

Works notification | December 2022

Summer holiday construction activities, Murwillumbah East Public School

A project is underway to complete repairs and remediation on school grounds and buildings that were damaged by flooding in early 2022.

Contractors will continue work on final repairs to the school canteen and second Out of School Hours Care (OSHC) space over the summer holidays. The work will be completed in time for the return of students and staff on Day 1, Term 1, 2023, weather permitting.

Before school resumes, the hard-sports court area will also be cleaned, and line markings will be drawn.

Work has been completed on repairs and remediation to grounds, sheds and a damaged OSHC spaces and sandpits.

School Infrastructure NSW will continue to monitor for ongoing issues that can be associated with water inundation at Murwillumbah East Public School.

Construction work dates

Flood remediation work will temporarily shut down for the summer break on Friday 23 December 2022, and will resume on Monday 9 January 2023.

The health, safety and well-being of the school and the local community is our highest priority, and we will continue to keep the community updated.

Thank you for your cooperation during this important work.
